All information for the season has been separated into individual documents for easy reference. ***We can't wait to get started!!!***

- Request to join your team Facebook page, this is a fun place to share videos, ask questions or interact with coaches, athletes and other parents. Search on Facebook 2018-2019 CFAS (team name)
- There has been a slight change to the practice schedule that was posted previously. This is due to the overwhelming amount of athletes that chose CFAS as their All-Star home this Winter and Spring. Please review your team's practice schedule
- There has been a slight change to the competition schedule that was posted previously. The prep divisions are so large this year, event producers have put the competition for some of these teams on Friday night. The competitions will begin later in the evening so we do not anticipate missed school being a necessity. Please review the competition schedule.
- Hotel blocks for those that choose to stay at any events over night (not mandatory) will be available shortly
- There are a few different options to make payments on your accounts. Payments can be mailed to the Foxboro location (69 East Belcher Road, Foxboro, MA 02035), paid on the parent portal (<https://app.iclasspro.com/parentportal/cheerfactor>) or paid in person at the gym. Please note the front desk is closed in all three locations on Sundays. Automatic payments are available by request (cfasjen@yahoo.com).
- Late fees are assessed on each charge past due on the 11th of the month. CFAS does not send monthly statements, payments are to be made based on the pricing guide schedule
- Policies and Procedures can be found in our Parent Guidebook
